

Yorba Linda Wood Inspections

TUESDAY, MARCH 1, 2022

YORBA LINDA VILLAGES

Yorba Linda Villages Residents,

The Board of Directors has approved Cornerstone Managing Partners (CMP) to move forward with Wood Repair Inspections for the property. This inspection will be used to finalized the wood repair scope of work for the Association. Cornerstone Managing Partners will be onsite Thursday, March 3rd, 2022 through Friday, March 11th, 2022 to complete detailed inspections of all wood components.

CMP will be accessing your home during this inspection. You are not required to provide access, relocate or move any personal items. Please be aware, for second story areas that are not reachable by stairs, they will be accessed via a ladder. No access to the interior of your home will be required.

Dates: Thursday, March 3rd, through Friday, March 11th

Access Required: To all areas of inspection, second story areas will be serviced via a ladder

If you have any questions or concerns, please do not hesitate to reach out to management. We appreciate your support.

Sincerely,

Erika Taylor CMCA® AMS® CCAM-HR®
Operations Manager
